Fondsstrategie

To increase the value of the Shareholder's investment over the long term (5 years or more) by investing in equities of global companies while earning higher income than the Benchmark.

The Fund will invest at least 80% in equities of global companies including up to 20% in emerging market companies. Specifically, the Fund invests at least 80% of total net assets (excluding ancillary liquid assets, eligible deposits, money market instruments, money market funds) in equities and equity-related securities of companies in any country across the globe, including emerging markets. Equity-related securities can include ADRs, GDRs, exchange-traded warrants and convertible securities, participation certificates and profit sharing certificates, among others. The Sub-Fund does not buy equity warrants but may hold any it receives in connection with equities it owns. The Sub-Fund may also invest in UCITS and/or other UCIs, preference shares and convertibles. The Sub-Fund may invest in China A-Shares through Shanghai Hong Kong Stock Connect.
